

**Arizona Indian Education Association
2012 American Indian Parent Conference
“EMPOWERING OUR NATIVE FAMILIES”
March 12th & 13th, 2012**

PRESENTER GUIDELINE & PROCEDURES

CONFERENCE GOALS

- To serve as a network for information regarding parent advocacy & involvement
- To present effective & culturally relevant education services & strategies
- To identify resources, research & information related to education, health, community, & culture
- To showcase successful collaboration between school & human service programs
- To present education policy & initiatives, including the potential impact on the education of American Indian children & their parents.

WORKSHOP INFORMATION

- Timeframe of 50 minutes per session. Please allow time for Q & A session.
- **All presenters are responsible for their handouts and all presentation materials.** Copy services **will not** be available during the conference.
- Please indicate if you are willing to repeat your presentation. Also indicate which days and times you are available to present.

AUDIENCE PROFILE

- Each workshop may have an audience ranging from 30-40 conference attendees from various locations throughout the state of Arizona.
- When completing presenter application, please indicate your target audience (if any), for your presentation (i.e., women, men, teen parents, all ages, both men/women, etc.).

PLEASE NOTE THIS IS A REQUEST ONLY- DEADLINE Wednesday February 15th, 2012

- Once FINAL selections are made, the selected presenters will be notified thereafter.
- The presentations are volunteer-based. As a result, there are NO stipends, honorariums, or other funding types paid out to presenters.
- Presenters will need to bring their presentation files on a USB flash drive for PowerPoint.
- If selected, registration & conference meals are provided, however, presenters are responsible for their own travel, accommodations, & other related costs.
